

**2020-2021 Exhibit A: Marshfield Clinic Health System School of Radiography to
Saint Joseph's College Online AS-Radiologic Science Administration**

Completing the courses required at SJC does not guarantee acceptance in Marshfield's School of Radiography, and SJC's AS-Radiologic Science Administration degree cannot be awarded without the transfer of radiologic science credits from an accredited program. If students take these courses at SJC and are then not able to enter into a radiologic science certificate program, the credits may be transferred to another institution or applied to our online BS-Health Administration degree instead.

Courses to be taken at SJC		
EH 106	English Composition I	3
